A MEANINGFUL LIFE WITH ALZHEIMER'S DISEASE

Bringing together healthcare professionals and caregivers

KEYNOTE: RENOWNED NEUROLOGIST DR. DANIEL C. POTTS

Respected neurologist Dr. Daniel C. Potts champions life-affirming care for those living with dementia. He is the coauthor of *A Pocket Guide for the Alzheimer's Caregiver* and is listed as one of Maria Shriver's Architects of Change. On staff at Tuscaloosa VA Medical Center, Potts is also the founder and president of Cognitive Dynamics Foundation and the Medical Director for Dementia Dynamics. Potts' keynote will highlight the inspiring story of his father's transformation from saw miller to internationally known watercolor artist in the throes of Alzheimer's disease, discuss the benefits of art therapy and other expressive arts therapies for persons living with dementia and care partners, as well as share lessons learned from an art therapy and life story program he created as his father's legacy.
